

***Westlake High School Cross Country Classic
September 11th, 2015***

Dear Coaches and Athletes

We invite you to the 6th Annual Westlake High School Cross Country Classic. The event will take place on the fields directly west of the high school and we will also utilize the fields at Vista Heights Middle School. The course will be all on grass and very flat with next to no hills and will be 3 miles. It is definitely a spikes course.

The cost for this year's event will be \$40 per team or \$80 per school. You can either send the money to the school beforehand or bring the check with you. For registration this year, please send a list of your athletes and the following information in an Excel spreadsheet: Name, School, Grade, What race they would be racing. Email your list to michaelfelix@alpinedistrict.org. The deadline for your list of athletes to be emailed is **12:00pm Thursday, September 10th**.

The meet will start at 4:00pm with the JV girls and races will go every 30 minutes. Awards will be handed out after the completion of the Varsity boys' race. All busses will park in the parking lot directly south of the school by the LDS seminary building.

Course Details:

Start:

The race starts at the green “start button” located at the north-west corner of the Westlake practice football field. From there the course goes in a south-east direction diagonal across the field and then directly south down past the school’s soccer field. At the far south end of the field, the course goes west for approx 100 meters and then goes north back towards the starting line.

Middle:

The course then goes and makes a loop past the baseball field and around the softball practice field directly north of the starting line. The course then goes through the gate separating Westlake and Vista Heights and follows the outside perimeter of Vista Heights’ field until it comes back to the gate separating the two facilities. The course then goes left through the gate and around the soccer fields in the opposite direction of the start. Instead of going through the finish chute the course goes west to make one final loop past the baseball field and around the softball practice field.

Finish:

Instead of going through the gate to Vista this time the course goes straight for one more loop around the soccer field and then a straight 200 meter downhill into the finish. The course is 3.0 miles.
